WATER SURFACE CLEANER

surface magic[™]

- clears the pool water's surface of grass clippings, leaves, oil, bugs and other small debris in just minutes
- non-toxic and biodegradable
- fast activating visible results
- also works great in lakes, ponds and rivers

SIZES

2 oz.

JACK'S MAGIC® WATER SURFACE CLEANER

Surface Magic is the time-saving highly effective way to remove debris from your pool water surface. When used as directed, *Surface Magic* will quickly clear your pool water's surface of dirt, grass clippings, leaves, oils, and floating debris, making clean up easy. *Surface Magic* also works great in lakes, ponds and rivers. *Surface Magic* is non-toxic and biodegradable.

DIRECTIONS FOR USE

1. Turn off pool pump.
2. Apply 2 drops of *Surface Magic* directly to water surface for every 100 square feet to be cleaned.
3. If used in a lake, river or large pool be sure to place drops upwind or up current.
4. Allow *Surface Magic* approximately 10-15 minutes to clean *treated* water surface.
5. If not completely clean after first application, repeat step 1.
