

Shoxidizer™ shock oxidizer

Shoxidizer™ shock oxidizer is a 4-in-1 proprietary blend of DuPont™ Oxone®, a powerful oxygen-based oxidizer, and a dry clarifier. This unique formulation provides the benefits of oxygen-based oxidation while boosting free chlorine concentrations. This one-two punch keeps water sparkling clear and clear by eliminating organic contaminants.

Features:

- Boosts free chlorine concentrations
- Oxidizes and eliminates organic contaminants
 - Dissolves quickly
 - Contains no calcium
- Buffered; will not affect water balance
 - Only 1 lb. treats 10,000 gallons
- Part of the GLB™ *No Algae. Guaranteed.* program

Applications:

For Pools With Moderate Daily Use:

- Add **Shoxidizer™** shock oxidizer weekly at a dose of 1 pound per 10,000 gallons of pool water.
 - Each pound of this product will raise the free chlorine concentration by 1 ppm (parts per million) in 10,000 gallons of pool water.
- More frequent and/or heavier doses may be required during periods of heavy use or following heavy rains or high winds.

For Pool Opening or Closing:

- Add **Shoxidizer™** shock oxidizer at a dose of 2 pounds per 10,000 gallons of pool water.
- This dose will provide sufficient oxidizer to eliminate most of the contaminants that accumulate in pool water, and will immediately raise the free chlorine concentration by 2ppm (parts per million) in 10,000 gallons of pool water.
- Reentry is prohibited above levels of 4 ppm due to risk of bodily injury.

Sizes:

1 lb. pouch

Tips:

Since **Shoxidizer™** shock oxidizer is buffered, it will not affect water balance. Therefore, pH and total alkalinity will remain unchanged.

Shoxidizer™ shock oxidizer is specially formulated to prevent dull, hazy water. Add **Shoxidizer™** shock oxidizer to pool water every week to oxidize contaminants introduced by bathers and to maintain sparkling clean water.

Compatible With:

Chlorine, bromine, ozone and salt water sanitizing systems.

Advantage:

Shoxidizer™ shock oxidizer is a quick-dissolving shock, oxidizer, buffer and clarifier in one. Contains 15% dichlor, 72% Oxone and 13% buffers and clarifying agents.
