

Defender

Especially designed to prevent scale formation in spas and hot tubs.

Features:

- Prevents scale formation
- Aids in the removal of existing scale
- Prevents dissolved solids from separating into spa and hot tub water

Applications:

Weekly:

1. Add directly to spa. Use 2 oz. for spas up to 800 gallons. Use 4 oz. for spas over 800 gallons.
2. Run filtration system for one hour, or normal filter cycle.

Sizes:

16 oz.

Tips:

Control of calcium can be very challenging, especially in spas. Regular use of **Defender** will prevent mineral buildup from occurring and causing the spa's heater or equipment to fail. Use as a follow-up to **Metal Gon**, applied at start-up.

Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers.

Advantage:

Use as part of the Simple Spa Care Program
