

Foam Down

Concentrated foam suppressant designed for hot water applications.

Features:

- Non-oily foam suppressant
- Specifically designed for hot water application
- Effective in any type of sanitized water
- Flip-top cap for easy application

Applications:

As Needed:

1. Shake well before using.
2. Add directly to the foaming area using approximately 1/2 oz. at a time.
3. Repeat as necessary.

Sizes:

16 oz.
32 oz.
1 gal.

Tips:

Continual foaming problems can indicate other imbalances in the spa such as low calcium or possibly the need to drain the water. If foaming persists, contact your local Leisure Time™ dealer for advice.

Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers.

Advantage:

Keeps foaming from recurring longer than other similar products.
